YOUR TEAM, PRINTED BIG.

Quiet Valley Products is a manufacturer of custom printed mesh and screening for the construction and athletic markets, founded by Dan Deroche. Our windscreens, fence screens and banners are at work on courts, fields and stadiums across the country.

We print on state-of-the-art UV printers with seamless widths up to 16 ft. Our designers, product specialists and production technicians handle every job from first layout to finished screen, all printed and fabricated at our facility in Pennsylvania, and shipped to schools, colleges, parks & rec departments, tennis clubs and sports facilities nationwide.

WHAT TO HAVE READY

- Product and material (9 oz or 8 oz mesh, 18 oz vinyl)
- Fence height and length of each run, and quantity
- Team, school or sponsor logo files (AI, EPS or PDF)
- Mesh color and print colors (team colors)
- Finishing: grommets, hems, pole pockets
- Facility name and ship-to address

FEATURED JOB

RUTGERS BASEBALL BAINTON FIELD

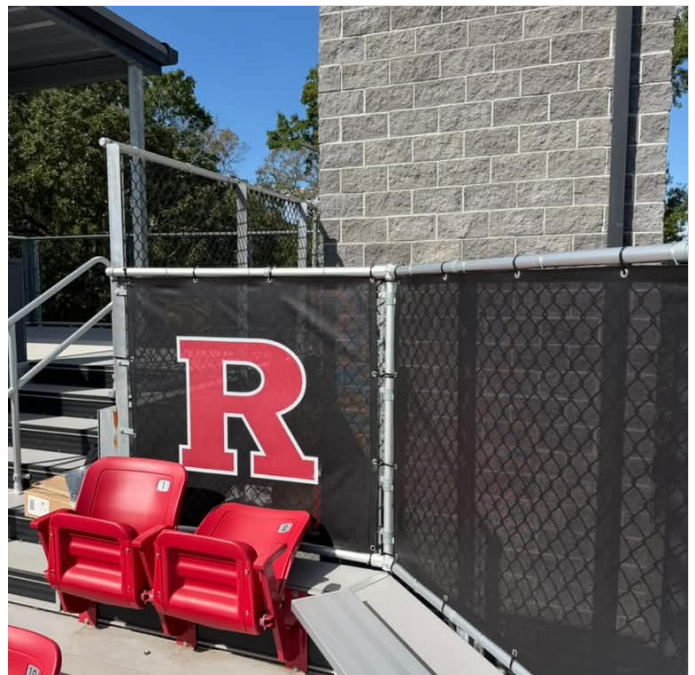

PRINTED WINDSCREEN

STADIUM RAILINGS & FENCES

Black printed windscreen with bold red team graphics lines the stands at Bainton Field, home of Rutgers Baseball. The screens carry the stadium name, the program name and the Rutgers "R" on railings, fences and stairways, turning the whole venue into team branding.

"Rutgers Baseball" printed across the back of the stands

Team logo screen: the Rutgers "R" on a seating-area railing

WHY IT WORKS

- Venue name, program name and logo in school colors
- Black mesh makes the red graphics stand out from every seat
- Screens on railings, fences and stairways tie the venue together
- Every fan photo and broadcast shot carries the brand

YOUR VENUE NEXT

Send us photos and measurements of your stadium, field or courts. We will mock up your logos and messaging on your actual fences and railings at no charge.

WHY WINDSCREENS ON COURTS

- Reduces wind on court for more consistent play
- Solid backdrop helps players track the ball
- Privacy and a clean, finished look for the facility
- Approx. 35% airflow lets wind pass through

MADE TO YOUR COURTS

- Sized to your fence height and court length
- Single-color logo or full-color edge-to-edge print
- Heat-sealed perimeter with grommets
- UV printed for durable, fade-resistant color

OUTFIELD · DUGOUTS · SIDELINES

Outfield fences, dugouts, backstops, sidelines and stadium railings. Field windscreens frame your venue in team colors, give hitters a clean backdrop and put your program name in every photo.

Rutgers Baseball: "Bainton Field" printed screen on stadium railings

Moorpark College Baseball: full-length outfield screen

GREAT FOR

- Outfield and foul-line fences
- Dugouts and bullpens
- Football, soccer and lacrosse sidelines
- Track and stadium perimeter fences

IDEAS FOR YOUR FIELD

- Team name, mascot and school logos
- Sponsor and advertising panels
- Championship years and program history
- Field name and wayfinding

BUILT FOR THE SEASON

- Printed seamless up to 16 ft high, any length
- Reinforced, heat-sealed perimeter with grommets
- Wind passes through the mesh
- UV printed for durable, fade-resistant color

FENCE SCREENS WITH TEAM LOGOS

9 OZ MESH

SINGLE-COLOR OR FULL-COLOR LOGO PRINT

Your logo, mascot or sponsor name printed on any of our stock mesh colors and repeated along the fence as often as you like. Crisp single-color prints or full-color logos, plus NCAA, conference and sponsor marks.

Asbury Eagles: full-length screen with school, NCAA and conference logos

Full-color logos printed on purple mesh at a tennis facility

SINGLE-COLOR LOGO

Your logo printed in white (or one color) on a stock mesh color. Bold, clean and easy to read from across the field.

FULL-COLOR LOGO

Full-color logos, mascots and sponsor marks printed on your choice of stock mesh color, with no limit on colors.

OPTIONS

- Repeat logos 1, 2 or 3 times per 50 ft panel, or every 2 ft
- Add a website, social handle or QR code
- Custom sizes for any fence height and length
- Free mock-up to set logo size and spacing
